'Andreas Syggros' Hospital,
Dermatology-Venereology Clinic
Clinic Manager: Christina Antoniou

Athens - March 27, 2013

The Syggros Medical team and me personally, would like to thank Mr. K.P. Giotis and his Medical team for their presentation "The DHI Total Care System" that took place in A. Syggros Hospital on March 6th, 2013 and their precious contribution in the field of hair restoration.

The presentation of 'Psychological and Mathematical aspects in DHI Direct Hair Implantation' has received very good comments by the participants of the program.

We are looking forward to inviting you again, soon, in one of our lessons and to have the pleasure of sharing your valuable experience, in the field of hair restoration.

Respectfully,

Christina Antoniou
Professor and
Clinic Manager of
A' University Dermatology Clinic
