Dear Doctor Giotis:

I am pleased to inform you that the Program Committee has chosen your abstract, ISO 9002 for Quality Control, for a graphic (poster) presentation at the 10th Annual Meeting of the International Society of Hair Restoration Surgery (ISHRS). The meeting will be held Wednesday – Sunday, October 9 – 13, 2002, at the Marriott Hotel Downtown, Chicago, Illinois, U.S.A.

Your abstract was thought to be particularly suitable for a poster presentation. All graphic presentations will use a 4' x 8' or 4' x 4' (1.2m x 1.2m) format. A 4' x 4' poster can be quickly assembled and easily transported. Please refer to the enclosed one-page insert for instructions.

The graphic presentations will once again play a prominent role at the meeting. The Scientific Research, Grants & Awards Committee will judge the graphic presentations and awards will be given in several categories.

Also enclosed are Graphic Presentation (Poster) Guidelines that will be helpful to you.

Please complete the enclosed forms and return to the Society headquarters office by July 31, 2002. As a reminder, the policy of ISHRS requires all faculty to register and pay the required registration fees for the program, as well as transportation and accommodation costs. A complete program that includes a registration form will be mailed to you in July.

Thank you for your participation and help in making this program a success. I look forward to seeing you in Chicago!

Sincerely,

John P. Cole, MD, *Chair*
2002 Annual Scientific Meeting Committee
