RE: Selection of StemRx to conduct clinical trial in India using human allogeneic (donor) stem cells

Dear Dr. Mahajan:

SanoStem Global, Inc. (SanoStem) is the exclusive distributor of Stemedica Cell technologies, Inc. (Stemedica) stem cell products in India. SanoStem is pleased to confirm the appointment of StemRx with its affiliate US program OSU to conduct its 1st Clinical Trial (CT) in India, using Stemedica's allogeneic human mesenchymal bone marrow cells (aMBMC). The approved protocol is for OsteoArthritis (OA) of Knee.

Stem Rx has agreed to conduct additional CT for other approved indications. If there are any concerns, please do not hesitate to contact me.

Best Regards,

Shivinder S. Deol MD
