Posting here does not mean the organization is an approved tax-exempt organization under the Internal Revenue Code. The IRS determines tax-exempt status.

Contributions are not tax deductible unless the IRS determines the organization is tax-exempt. To search a list of tax-exempt organizations, use [the IRS Exempt Organization Search Tool](#) provided by the IRS. Some organizations, like religious organizations, may not appear on the IRS list because they are not required to file with IRS in order to be tax-exempt.
