CERTIFICATE OF STEM CELL TRAINING COURSE

This is to certify that **Mr. ANRABEL ARAYA**, Celleration Wellness Centre, Costa Rica has successfully completed the STEM Cells Training Program dated February 27th – March 2nd, 2023 at San Jose, Costa Rica.

This comprehensive training program has provided Mr. ARAYA with a deep understanding of the principles and applications of Stem Cell Research and Therapy. The program covered a range of topics, including but not limited to:

1. Introduction to Stem Cells
2. Types of Stem Cells
3. Stem cells Isolation, Culture, Expansion and Storage from Adipose tissue, Bone Marrow, Umbilical Cord and Peripheral blood.
4. Stem Cell Therapy
5. Ethical Considerations in Stem Cell Research
6. Regulatory Guidelines and Safety Standards

By completing this training program, Mr. ARAYA has demonstrated a commitment to advancing his knowledge and skills in the field of Stem cell research and Therapy.

This certificate serves as a testament to the successful completion of the Stem Cells Training Program and expanding his expertise in stem cell research and therapy.

Congratulations on this achievement!

Anand Srivastava, MS, PhD
