Oct. 1989 – Nov. 1995	Ain Shams University, Faculty of Medicine - Cairo, Egypt, (MBBCH) Bachelor degree of medicine & Surgery.

Conferences & Presentations

Nov. 2023	ALSGBI Conference (Minimal Invasive Surgery & Essential Robotic surgery Training at Oxford Center & Portsmouth Hospital (Clinical Training Stage I - UK
Aug. 2023	Speaker in IFSO (Video Presentations), Napoli - Video presentations: 1) Conversion of hypo-absorptive procedures to restrictive technique (RYGB / MGB to LSG); Indications & Rules to be respected. 2) Laparoscopic Antireflux with RYGB for morbid obesity & GERD; Debate about the Solo RYGB as satisfactory antiacid surgery or to combine antireflux step.
Nov. 2022	Egyptian Society of Bariatric Surgery (IFSO - North Africa Chapter– Egypt - Video presentation: Conversion of hypo-absorptive procedures to restrictive technique (RYGB / MGB to LSG); Indications & Rules to be respected.

Oct. 2022	American College of Surgeons, Dubai – UAE - Video presentation: Laparoscopic Antireflux with RYGB for morbid obesity & GERD; Debate about the Solo RYGB as satisfactory antiacid surgery or to combine antireflux step.
Jul. 2022	Speaker in Webinar: Pre-operative & perioperative Surgical Strategy to prevent Leak after Bariatric Surgery (Video presentation).
Jun. 2022	Speaker in Webinar: Complications of LSG (staple line Leak), How to keep it safe & How could we treat (Video presentation).
Nov. 2019	Abstract (Video presentation) to ASMBS – Obesity Week, Las Vegas – USA (Laparoscopic Fundoplication during LRYGB is the preferred option for reflux esophagitis in obese patients).
Oct. 2018	American College of Surgeons, Boston – USA - Video presentation about Laparoscopic repair of Thoracic Esophageal rupture during Lap. Sleeve Gastrectomy.
Nov. 2018	Frankfurter Meeting of Obesity, Frankfurt – Germany 1) Video presentation about Laparoscopic repair of Thoracic Esophageal rupture during Lap. Sleeve Gastrectomy. 2) Video presentation about Laparoscopic Conversion of Minigastric bypass to Sleeve (When, How, Tricks).
Aug. 2017	IFSO XXII World Congress, London – UK- Video presentation about Laparoscopic repair of Thoracic esophageal rupture during LSG.
Nov. 2016	Frankfurter Meeting of Obesity (Rudolf Wiener), Frankfurt – Germany Oral & Video presentation for 3rd & 4th Revision in Bariatric Surgery (Peri-operative risk).
May 2016	American College of Surgery (UAE Chapter), Abu Dhabi – UAE - Video presentation for laparoscopic excision of choledochal cyst & RY Hepatico - jejunostomy.
Aug. 2015	IFSO XX World Congress, Vienna - Austria
Dec. 2014	Gulf Obesity Society (GOSS 2014), Dubai - UAE, Video presentation about Laparoscopic repair of Gastric Volvulus 2ys after Laparoscopic SG.
Oct. 2014	American College of Surgeons - San Francisco – USA.
Aug. 2013	IFSO XVIII World Cong., Istanbul -Turkey - Video presentation about Laparoscopic repair of Gastric Volvulus 2ys after laparoscopic Sleeve Gastrectomy.
Sep. 2012	IFSO, XVII World Congress, Delhi. 1) Oral & Video presentation about Leak after Lap. Sleeve gastrectomy (how to prevent & how to treat). 2) Oral presentation about Gastro-esophageal reflux after Lap. Sleeve gastrectomy.

Jun. 2011	The 19th International Congress of the European Society of Endoscopic Surgery, Torino- Italy, 2 digital posters presentation and talk about advanced laparoscopy & obesity Surgery: 1) Staple line dehiscence after laparoscopic sleeve gastrectomy for morbid obesity; Prevalence, Outcome and Management modalities. 2) Laparoscopic Crural Repair with Simultaneous Sleeve Gastrectomy for the Treatment of Gastroesophageal Reflux Disease Associated with Morbid Obesity.
Aug. 2006	The 10th World Congress of Endoscopic, Surgery, Berlin - Germany.
Dec. 2004	Active Participation by papers was in 4 th Congress of Middle Mediterranean Laparoscopic Surgeons - Taba, EGYPT (Laparoscopic adhesiolysis in acute small bowel obstruction).
Jan. 2006	Active Participation by papers was in Cairo, EGYPT and 15th International Congress of Laparoscopic surgeons – Athens, GREECE (Routine Intra-operative cholangiography for Safe laparoscopic cholecystectomy and single stage laparoscopic Choledocholithotomy).
Dec. 2004	Active Participation by papers was in 7 th Congress of Middle Mediterranean Laparoscopic surgeons - Hurghada, EGYPT (Laparoscopic colorectal surgery, complications; when conversion is considered).
Sep. 2009	Active Participation by papers was in 5 th International Congress of Laparoscopic surgeons – King Saud University - Riyadh, Saudi Arabia (Laparoscopic Gastroplasty, Fast way by using goldfinger).
Mar. 2010	Active Participation by papers was in 1 st International Congress of Advanced Laparoscopic surgeons – Armed Forces hospital – Al Khobar, Saudi Arabia (Management of Anastomotic leaks after Roux – en Y gastric Bypass, Experience of two institutions).
Mar. 2010	Active Participation by papers was in 1 st International Congress of Advanced Laparoscopic surgeons – Armed Forces hospital – Al Khobar, Saudi Arabia (Debate: Single incision for laparoscopic cholecystectomy (From Three to Two to Single Port)).

Licenses

Apr. 2018	Health Authority of Abu Dhabi (HAAD) ... (Active License till 2026)
Oct. 2018	Dubai Health Authority (DHA)
Aug. 2010	Florida Training, Cleveland Clinic FL. (Clinical Research Fellow)
Apr. 2007	Egyptian Medical syndicate registration No.: 123123 & Consultant registry of laparoscopic. Surgery No.: 7

Publications

Dec. 2020	Thoracic Esophageal Rupture During Lap. Sleeve gastrectomy; A Case report of Laparoscopic Trans hiatal Repair; Surgery for Obesity & Related diseases (SOARD); Dec. 01.2020.
Sep. 2015	Effect of Banded Laparoscopic Sleeve Gastrectomy on Weight Loss Maintenance: Comparative Study Between Banded and Non-Banded Sleeve on Weight Loss; Bariatric Surgical Practice & Patient Care; Vol.10, No. 3 2015.
Aug. 2015	Staple line dehiscence after laparoscopic sleeve gastrectomy for morbid obesity; Prevalence, Outcome and Management modalities, Obesity Surgery Journal - Egypt.
Apr. 2012	Laparoscopic Crural Repair with Simultaneous Sleeve Gastrectomy for the Treatment of Gastroesophageal Reflux Disease Associated with Morbid Obesity, Journal of Minimal Invasive Surgical Sciences – Number 2, Volume 1, Issue 2 Spring 2012.
Jul. 2012	Routine intraoperative cholangiography during laparoscopic cholecystectomy is a safe and first step in management of Choledocholithiasis, (Landeskrankenhaus Bregenz, Austria; July 2006). (Presented at 15th International Congress of Laparoscopic surgeons, EAEs 2007 – Athens - - Greece) & Journal Of Minimal Invasive Surgical Science;2012 1(2);67-73
Dec. 2004	Laparoscopic adhesiolysis in small bowel obstruction (Al Azhar Medical Faculty Journal, September 2004). (Presented in 4 th Mediterranean & Middle Eastern MMESA endoscopic surgery congress, Taba – Egypt; December 2004). <i>More than 15 publications & thesis along 10 years (2004-2016) for the degree of Ass. Prof. & professorship at Ain Shams University – Egypt.</i>

Courses

Sep. 2024	Advanced Robotic UGIT & Esophagogastric Surgery, UGIRA Academy Utrecht – Netherlands.
Dec. 2023	Essential Robotic Surgery – Oxford Training Center & Portsmouth Queen Elizabeth Hospital - Portsmouth -UK
Aug. 2023	Research Publication & Statistics, Italy (Naples)- IFSO
Aug. 2013	Revisional Bariatric Surgery – Hamburg (Germany).
Sep. 2012	Revisional Bariatric Surgery & Reduced Ports in Bariatric Surgery - Hamburg (Germany).
Mar. 2012	Intensive Course in Advanced Bariatric surgery Gastric Bypass & Sleeve surgery - Hamburg (Germany).
May 2010	Intensive Course in Advanced Laparoscopic Surgery (Bariatric & Colorectal Surgery) - Hamburg (Germany).
Feb. 2008	Intensive Course in Fundamentals of Trauma Management – Egypt.
Feb. 2007	Intensive Course in Advanced General Laparoscopic surgery, Strasburg (France).

Feb. 2007	Diploma Course in Advanced Laparoscopic surgery, Strasburg (France).
Mar. 2006	Intensive Course in Advanced Upper GIT Laparoscopic Surgery – Bregenz (Austria).
Mar. 2004	Intensive Course (hand on workshop) Basic Laparoscopic Surgery – Egypt.

Memberships

Member of TROGS (Robotic Surgery Association) 2025
 Member of EAES 2006
 Member of UGIRA (Upper GIT Robotic Surgery Ass. 09/2024
 Member of ALSGBI since 09/2023
 Member of IFSO since 2012
 Fellow of American College (ACS) Since 2014

Interests

Main Specialty in U.G.I.T., Bariatric & General laparoscopic surgery:

- Laparoscopic Bariatric surgery (Gastric bypass, Sleeve gastrectomy, SADI-S, SASI) & Laparoscopic Revisional Bariatric Surgery.
- Laparoscopic Hiatal Surgery (Revisional) & Anti reflux Surgery.
- Laparoscopic Esophageal Surgery (Benign & Malignant) Diseases
- Laparoscopic cholecystectomy.
- Laparoscopic appendicectomy.
- Laparoscopic adrenalectomy.
- Laparoscopic Inguinal Hernia repair (TAPP).
- Laparoscopic Gastric Surgery (Total & Subtotal) for malignancy.
- Laparoscopic Bile duct (Transcystic & Hepaticojejunostomy).
