

DR ELIO JIMENEZ

DENTIST SPECIALIST IN ORAL SURGERY, AND
ORAL IMPLANTS

PROFILE

Dentist from the Universidad del Sinú, and specialist in stomatology and oral surgery from the University of Cartagena.

Committed to the comprehensive health of the patient; with a high cognitive level and skills that allow me to perform in a productive, effective and reliable manner. I am characterized by being a discreet and ethical professional, where the functional, aesthetic and biological status of the patient takes precedence, trying to maintain a cordial, decent and respectful attitude towards them.
