

PAOLA MARTINEZ CASTILLO

DENTIST SPECIALIST IN ORTHODONTICS,
JAVERIANA UNIVERSITY, COLOMBIA,
ORTHODONTIC WORLD INSTITUTE, BARCELONA

PROFILE

I am a dentist who graduated in 2002 from the Pontificia Universidad Javeriana School of Dentistry and completed a specialty in Orthodontics and Dentofacial Orthopedics at the Orthodontic World Institute/Universidad Autónoma de Barcelona. Furthermore, I have engaged in advanced training in innovative techniques, including temporary anchorage devices (TADs), laser dentistry, and clear aligner systems such as Invisalign.

I am acknowledged for my proficiency in delivering tailored orthodontic solutions, especially for international patients in search of discreet and effective treatments. Driven by a passion for transforming smiles, I take pride in cultivating meaningful relationships with my patients while providing exceptional care.
